A03: Bird's Opening with 1...d5 Just to be perfectly clear, there is nothing to be learned here. If you wish to click the Continue button then you will not really be missing anything. For those who are up for a little entertainment, read on. There may be a time when you are standing in line at the DMV, or waiting behind someone with a problem at the pharmacy counter. That could be a good opportunity to put this section to use. I was going to tell the story of the best game I did not win here, but after a couple thousand words I decided below, but as I mentioned, there is nothing to be learned here, so it is only there for those who may be curious. Sometimes, something more than simply learning a specific move can be instructive. Sometimes psychology actually can become a weapon. And sometimes Bird's Opening has a major role to play, so it all somewhat ties together. So when you've got a few moments with nothing to do then copy the below link, paste it into your browser's address bar, and enjoy a story that always gives me a bit of a smile when I think of it. [https://birdsopeningforclubplayers.wordpress.com/2023/08/05/the-best-game-i-did-not-win/] If you are curious about the game then you can follow it below, though as I mentioned previously, there really is nothing to learn here. **1.f4 e6 2.e3 c5 3.Nf3 a6 4.b3 Nc6 5.Bb2 Nf6 6.Be2 d5 7.0-0 Bd6 8.Na3N**
